TO: ALL FARM LABOR CONTRACTORS

2017 REGISTRATION AND EMPLOYEE SAFETY CONDITIONS

Prior to providing farm labor services within Riverside County during 2017, please complete and sign the enclosed registration form. You will be assigned a registration number for 2017. There is a \$40.00 fee for this registration. Make a check payable to the County of Riverside. Return the **\$40.00** fee, complete registration form, and a photocopy of your valid State of California Farm Labor Contractors License to your local district office of the Riverside County Agricultural Commissioner. **You must maintain a copy of your most current license (with an expiration date that will apply for the 2017 calendar year) with our office. You may fax or mail a copy each time your license is renewed. If the current license is not on file, your registration will be null and void.** A copy of the registration will be returned so that you will have copies for your foreman to present during any field worker safety inspections.

Farm Labor contractors should furnish a copy of the registration to each field foreman and to each grower with whom he/she contracts. If you have questions about these conditions, contact your local district office.

Sincerely,

Robert Mulherin
