### JOHN SNYDER

Agricultural Commissioner  
Sealer of Weights & Measures

November 3, 2011

**TO: ALL RESTRICTED MATERIALS PERMIT HOLDERS  
ALL OPERATOR IDENTIFICATION NUMBER HOLDERS**

This year, the Agricultural Commissioner's Office will begin taking appointments to begin issuing permits and Operator I.D. Numbers as early as November 17, 2011. Please contact your local district office. As a reminder, please note the following:

1. Person(s) wishing to obtain a 2012 Restricted Permit or an Operator I.D. Number must call their local Agricultural Commissioner's district office and arrange for an **appointment in advance** of coming into the office. Review your current Permit / Operator I.D. Number for accuracy. Inform the local Agricultural Commissioner's district office of any changes **prior to scheduling your appointment**.
2. It is mandatory that persons bring with them all necessary materials to complete the process, including:
  - (a) complete, updated maps of each site (including locations of wellheads)
  - (b) crops, locations, acreages (or estimates of same)
  - (c) list of requested pesticides to be used
  - (d) Assessor parcel numbers (APN's) for each site
3. If a permittee has not filed Pesticide Use Reports or is delinquent in doing so, permits must be refused until that problem is resolved. **Pesticide use reports may be submitted electronically instead of submitting paper copies; for further information, please contact one of our district offices.**

Sincerely,

*Robert Mulherin*
