### JOHN SNYDER

Agricultural Commissioner  
Sealer of Weights & Measures

November 3, 2011

### **TO: BRANCH 2 & 3 STRUCTURAL PEST CONTROL OPERATORS WORKING WITHIN RIVERSIDE COUNTY** **REGISTRATION PROCEDURES FOR 2012**

STRUCTURAL PEST CONTROL OPERATORS: Please complete and sign the enclosed form, including the "BRANCH OFFICES" section and the license number sections and send with the fee of \$10.00 (make check payable to the *County of Riverside*). Please write the "branch license number" for each branch office in the space provided. An incomplete registration form may result in delaying the registration process. If you have applied for an operator's license and have not received it, please contact the Structural Pest Control Board prior to registering in Riverside County. No registrations will be processed without a valid license and work may not be performed until registration occurs. We are no longer accepting monthly summary use reports with both agricultural use and structural use on one form. Please submit separate forms for both. Negative use reports do not require a structural stamp. Pesticide use reports may be submitted electronically instead of submitting paper copies; for further information, please contact one of our offices.

Please Note: **All mail must go to P.O. Box 1089, Riverside CA 92502-1089 or it will be returned.**

Sincerely,

*Robert Mulherin*

Robert Mulherin  
Deputy Agricultural Commissioner  
Environmental Protection Division
