TO: ALL FARM LABOR CONTRACTORS

2012 REGISTRATION AND EMPLOYEE SAFETY CONDITIONS

Prior to providing farm labor services within Riverside County during 2012, please complete and sign the enclosed registration form. You will be assigned a registration number for 2012. There is a \$40.00 fee for this registration. Make a check payable to the County of Riverside. Return the **\$40.00** fee, complete registration form, and a photocopy of your valid State of California Farm Labor Contractors License to your local district office of the Riverside County Agricultural Commissioner. **You must maintain a copy of your most current license (with an expiration date that will apply for the 2012 calendar year) with our office. You may fax or mail a copy each time your license is renewed. If the current license is not on file, your registration will be null and void.** A copy of the registration will be returned so that you will have copies for your foreman to present during any field worker safety inspections.

Enclosed is a packet outlining conditions for registration and employee safety. If you have questions about these conditions, contact your local district office.

Sincerely,

Robert Mulherin
